

## BRADY B-486B THERMAL TRANSFER PRINTABLE METALLIZED POLYESTER LABEL STOCK

TDS No. B-486B

Effective Date: 10/05/2022

Description: GENERAL

Print Technology: Thermal Transfer Material Type: Metallized Polyester

Finish: Matte, light gray

Adhesive: Permanent rubber-based

#### **APPLICATIONS**

Rating and serial plates that utilize barcodes, alphanumerics, graphic symbols and logos and require nameplate-like quality.

## **RECOMMENDED RIBBONS**

Brady Series R4300

# **REGULATORY/AGENCY APPROVALS**

**UL:** B-486B is a UL Recognized Component to UL969 Labeling and Marking Standard when printed with the Brady Series R4300 Ribbon. See UL file MH17154 for specific details. UL information can be accessed online at UL.com in the UL Product iQ area.

**CSA:** B-486B is CSA Accepted to C22.2 No. 0.15-15 Adhesive Labels Standard when printed with the Brady Series R4300. See CSA file 041833 for specific details. CSA Information accessed on line at <a href="https://www.csagroup.org/testing-certification/product-listing/">https://www.csagroup.org/testing-certification/product-listing/</a>

#### **SPECIAL FEATURES**

B-486B is designed for high adhesion to textured metals, powder coated surfaces and low surface energy plastics. B-486B can withstand numerous solvents and variable temperatures when applied to various surfaces.

### **Details:**

| PHYSICAL PROPERTIES              | TEST METHODS  | AVERAGE RESULTS  |  |
|----------------------------------|---|--|--|

|----------------------|---------------------|
|                      |                     |

Samples were printed with the Brady Series R4300 ribbon, laminated to flat aluminum panels and allowed to dwell 24 hours prior to test. Testing was conducted at room temperature. Testing consisted of 5 cycles of 10 minute immersions in the specified chemical followed by 30 minute recovery periods. After the final immersion the flat samples were rubbed 10 times with a cotton swab saturated with the test fluid.

|----------------------------------|-------------------|---|---|
| 10% Sulfuric Acid Solution       | No visible effect | 1 | 1 |

## Rating Scale:

- 1= no visible effect
- 2= slight smear or print removal, detectable but minimal smear
- 3= moderate smear or print removal (print still legible)
- 4= severe smear or print removal (print illegible or just barely legible)
- 5= complete print and/or topcoat removal

NP= print removed prior to rub

#### **Shelf Life:**

Shelf life is two years from the date of receipt for this product as long as this product is stored in its original packaging in an environment below 80° F (27° C) and 60% RH. It remains the responsibility of the user to assess the risk of using this product. We encourage customers to develop testing protocols that will qualify a product's fitness for use in their actual application.

Test data and test results contained in this document are for general information only and shall not be relied upon by Brady customers for designs and specifications, or be relied on as meeting specified performance criteria. Customers desiring to develop specifications or performance criteria for specific product applications should contact Brady for further information.

Product compliance information is based upon information provided by suppliers of the raw materials used by Brady to manufacture this product or based on results of testing using recognized analytical methods performed by a third party, independent laboratory. As such, Brady makes no independent representations or warranties, express or implied, and assumes no liability in connection with the use of this information.

# **WARRANTY**

Brady products are sold with the understanding that the buyers will test them in actual use and determine for themselves their adaptability to their intended uses. Brady warrants to the buyers that its products are free from defects in material and workmanship, but limits its obligation under this warranty to replacement of the product shown to Brady's satisfaction to have been defective at the time Brady sold it. This warranty does not extend to any persons obtaining the product from the buyers. This warranty is in lieu of any other warranty, express or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose, and of any other obligations or liability on Brady's part. Under no circumstances will Brady be liable for any loss, damage, expense, or consequential damages of any kind arising in connection with the use, or inability to use, Brady's products.
